

Joseph Jack Joulbrand Joul

MIDDLETOWN UNIFIED HIGH SCHOOL Middletown, California

Gary Copson, Editor

To Susan: may I wish you a trappy heavely I few life. Sincerely

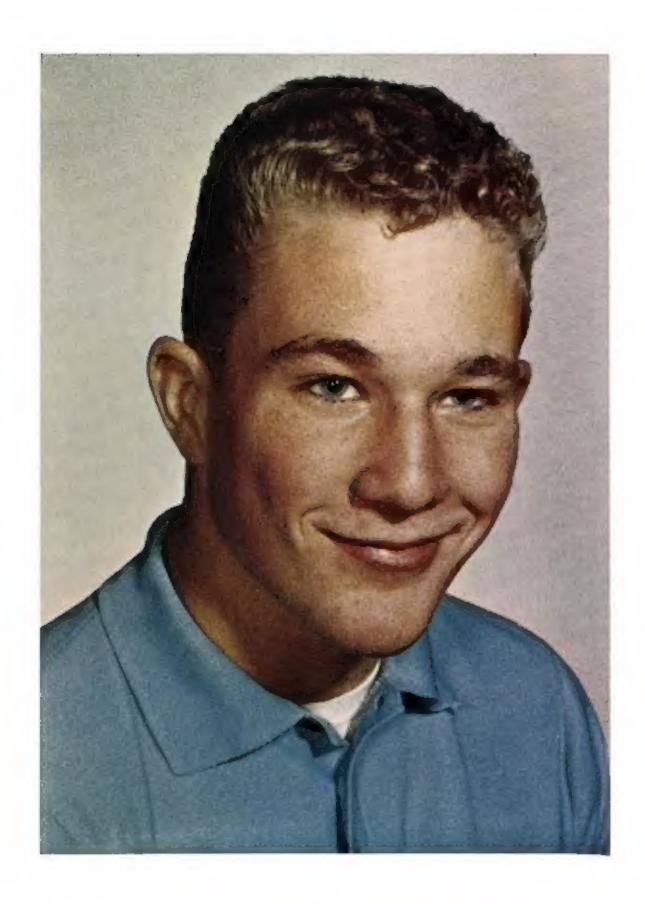

### **FOREWORD**

This Cinnabar is a collection of the many happy events we enjoyed throughout the year of '64 and we, the Cinnabar staff, offer it as a lasting reminder of your high school days.

As you gaze upon the pages of this book in the future, we sincerely hope you will relive with lasting vividness your memories of this particular year.

Editor-in-Chief Gary Copson

## DEDICATION

On behalf of the Middletown High School student body, the 1963 - 1964 Cinnabar staff dedicates this annual to the memory of John Wrieden. His warm smile and instant laughter will be readily recalled long after school days are gone by those who shared his friendship.

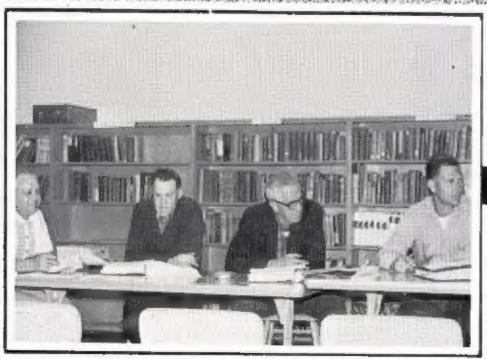

Middletown Unified School District Board of Trustees

Left to right: Mr. Darby, President; Mr. de Montigny, Mr. Frates, Mr. Evans, Mr. Bell; Mr. Sempell, Superintendent of Schools,

This is a tribute to these public-spirited men who give, without remuneration, at least one night a month to the business involved in maintaining a school.

This work constitutes many late hours, perplexing and often distressing problems, great responsibility and, at times, lack of appreciation of their sincere effort to serve the community to the very best of their ability.

## Superintendent's Message

Far-reaching changes are taking place in the machines and processes of industry and agriculture and commerce as a result of harnessing new sources of power and the development of far-reaching automation. These changes hasten the pace of technological development, bring enormous benefits to society and, at the same time, provoke profound alterations in the work and the occupational pattern of the United States. The exact nature of the changes cannot yet be discerned, but the phase of the industrial and scientific revolutions into which we are now passing will require of the labor force a marked up-grading, and a high degree of flexibility. It will lay particular stress on the full development of high-level talents. With our educational system rests the responsibility of this situation. We must meet this challenge!

Otto Sempell

#### STUDENT COUNCIL

Seated, left to right: Gary Copson, Vice-President; Mr. Robertson, Advisor; James Eshom, President, Standing, left to right; Barbara Twitchell, G.A.A. President; Gary Evans, Sophomore President; Reynette Chang, Secretary; Bill Wink, Scator President; Ann Taylor, Treasurer; Gehlen Palmer, Junior President; Le Ann Wink, Freshman President; Al Higgins, Block M Vice-President, Not in picture, Rich Cook, Block M President,

When we students think back to school at Middletown High, I think we will remember not only our good times at play, but also our work in the nucleus of our student government, Student Council.

It certainly would not do to say that Student Council is a great center of philosophy and government. Members find it to be more of a frustrating situation in which the power invested in them extends only as far as common sense. But this goal we do actieve: a strengthening of views towards law and government, and perhaps a glimpse at the fact that our individuality does not depend on how much we can must the laws and think that the greatest knowledge that anyone can hope to achieve from Student Council is the aforementioned, and also the realization that government is not all perfect, and that this is so because it does not please everyone.

With this broad-mindedness, may all our student council members continue to serve and to learn.

We have been proud to serve M.U.H.S.

The Student Council -- 1963 64.

Jim Eshom, President

# LIONS' CLUB SPEAKING CONTEST

The topic of the 1964 Lions' Club speakers' contest was "Moral Integrity is Imperative to Survival."

Pam Wederbrook, Sondra Williams, and Ray Change were chosen from Mr. Robertson's public speaking class to compete before the Lions' Club judges in Middletown.

As winner of this phase of the contest, Pam went to Clearlake Highlands to compete against the winner at Upper Lake and Lower Lake, Pam won second there. Those who were present said they considered the contest a very close one and Pam ably represented our school.

# UNITED NATIONS CONTEST

The Odd Fellow and Rebekah Lodges in Lake County held their second annual "United Nations Pilgrimage For Youth" contest. The winner received a twenty-eight day trip to the United Nations building in New York and, as an additional attraction this year, a day at the World's Fair.

The contest is in three phases: A written examination, an experience sheet, and a five-minute speech on "My Community and World Affairs."

Jayne Castle, Carolyn Kibbee, and Geblen Palmer competed on the local level. The winner, Jayne Castle, went on to the finals in Kelseyville where she came in second.

All contestants agreed, win or lose, the experience was most rewarding and challenging.

### THE CINNABAR STAFF

and Mrs. Adams

wish much happiness and success to all the students in

Middletown Unified High School

and especially to those who are about to make places for themselves in the outside world.

We hope you like this edition of Cinnabar. It represents a tremendous amount of thought, planning, time, and effort.

We extend sincere appreciation to our advertisers and all others who aided in its production.
